The enthusiastic spirit of the junior class was evidenced by the many activities in which the juniors took part. In order to finance the "big dance" in the spring, the class sold candy and put on a record hop.

The Junior-Senior Prom and Banquet were a fitting climax to an active year. For the prom the gym was transformed into an "Oriental Garden in Springtime" as juniors and seniors alike danced into the late hours of the night. It was a lovely prom indeed.

Student Council

LEFT TO RIGHT: Kent Stone, Steve Dina, Janice Buddie, Steve Morlock

The purpose of the Student Council is to promote a better understanding between students and teachers. Problems concerning the students, teachers, and conditions of the school are discussed at each meeting, and solutions are sought to work them out for the benefit of everyone concerned.

The most important work of the Student Council this year was completing the School Hand Book, which indicates what Buckeye has to offer according to subjects and activities.

The National Honor Society of Secondary schools creates an enthusiasm for scholarship, stimulates a desire to render services, promotes leadership, and develops character in the students.

Thirteen new members of the Buckeye National Honor Society were initiated during a memorable induction service in January. The group sponsored the annual awards assembly in the spring.

Future Teachers Of America

Pat Littig, Sharon Miller, Bill Kick.

The F.T.A. is primarily a guidance and orientation club for pre-professional services and developments. In addition, it can be considered a service club for its high school, its staff, its students, and its community. Although F.T.A. clubs have social events scheduled during the year, an F.T.A. club cannot correctly be considered a social organization. The major purpose of the high school F.T.A. Club is to have a recruitment program for students interested in teaching.

Our club did student teaching at the junior high and grade schools in the Buckeye district. The group also sponsored a record-hop to help raise money for the County F.T.A. Scholarship Fund.

Dramatics Club

The Dramatics Club is devoted to the advancement of dramatic arts. Its aim is to create an active and intelligent interest in all types of theater activities. Membership in the club provides a worthwhile leisure time activity, creating a spirit of cooperation and an understanding among fellow students that will broaden the cultural growth of each.

The group presented in February the three-act comedy."Grandma's Best Years." For the one-act play contest at Cloverleaf High School members of the group presented "Fear Is the Murderer." This play, along with "Fog" and "This Night Shall Pass," were presented in the annual One-Act Play Festival at Buckeye.

Miss Gloria Kropac, who spent many long hours in perfecting the group's productions, was the Dramatics Club advisor this year.

Hi-Y

Hi-Y is a Young Men Christian Association club for high school boys. Members join the club, seeking friendship, adventure, recreation and inspiration. They seek to make living better for themselves, for their friends, and for their community, and to develop high standards of Christian character. Hi-Y clubs operate on a four-plank platform-clean speech, clean sportsmanship, clean scholarship, and clean living.

The Buckeye Hi-Y Club, in co-operation with the Y-Teens, went Christmas caroling and packed a box for a needy family this year. Tim Steingass and George Gunkelman represented the group at the Model Legislature in Columbus this spring.

Y-Teens

The Y-Teens is a voluntary membership organization with a Christian purpose: "to build a fellowship of women and girls devoted to the task of realizing in our community life those ideas of personal and social living to which we are committed by our faith as Christians."

Y-Teens seek as persons to grow in friendship with people of all races, religions, and nationalities, and in the knowledge and love of God.

Christmas caroling was one of many activities sponsored by the Y-Teens. A service project was the wrapping of cancer bandages. The Buckeye Y-Teens, along with Highland, Brunswick, and Medina Y-Teens, sponsored an all-county dance in March. Buckeye and Medina Y-Teens also put on a Lenten Service at the Y-House. Other outside activities during the year were a swimming party, a style show, and a breakfast for the members and their mothers.

FIRST ROW: Left to Right, M. Kopp, J. Trainer, K. Marinan, L. Lang, C. Marcellus, J. Thomas, C. Long, L. Singer, S. Moffitt, C. Kenyon. SECOND ROW: J. Matecki, S. Martie, G. Miller, C. Collins, K. Timberlake, J. Gunkelman, J. Gunkelman, J. Abend, B. Cather, N. Dyke.

The primary aim of the F.F.A. is the development of agricultural leadership, co-operation, and citizenship. Some of the specific purposes of the organization are (1) to develop competent, aggressive, and agricultural leadership, (2) to create and nurture a love of country life, (3) to participate in worthy undertakings for the improvement of agriculture, and (4) to encourage improvement in scholarship.

The F.F.A. boys, in co-operation with the shop classes, built a handsome sign, they made toys and distributed them to the Salvation Army; and they directed the parking of cars for the football and basketball games and other special activities.

The group also carried on a rodent-eradication program, made available a dyno-mometer for tractor maintenance, and tested soil for farmers in co-operation with the County Extension Service.

The annual F.F.A. banquet was held April 13. At this time the club's advisor, Mr. Koppes, made awards to those boys who had earned them during the year.

The purpose of the Varsity Lettermen's Club is to give recognition to the boys who earn a varsity letter in any athletic contest. The club also works to promote good sportsmanship between the competing schools. Members of the group welcome the opposing teams as they arrive at Buckeye.

1960 Marching Band

Concert Band

At the close of the football season the band hung up spats and caps and soon became one of the finest sounding concert bands in the county. The high school group, along with the three other Buckeye bands, presented a winter concert in March. But, there was no time for rest, as, the spring concert was but six weeks away, and there were many new numbers to be learned.

Concerts were presented at our three elementary schools, and again at Strongsville, where a joint program was performed with our hosts.

Our District Champs
Mixed Ensemble And Boys' Quartet

LEFT TO RIGHT: Dave Parker, Jon Steingass, Eddie Johnson, Bill Kick.

Our vocal music department presented two concerts this year. The choir boasted fifty-six voices - the most that Buckeye has ever had. Much time was spent preparing for the annual music contest in February; and perseverence was rewarding, since many of the groups obtained a "superior" rating. At the district contest the Boys' Quartet and the Mixed Ensemble qualified for state competition - a gratifying accomplishment.
